

Cans for Cooperstown

In anticipation of the 12AAA trip to Cooperstown this coming summer, an aluminum can recycling drive is being conducted as a fundraiser. Lake Elmo baseball families and friends are being asked to participate. Please start saving and crushing your aluminum cans. If you know of any businesses that may also be willing to donate their cans to Lake Elmo baseball, please spread the word.

Once Sunday per month (from 11:00 – 4:00), a trailer will be parked near the small playground area between Lion's and VFW fields. Please bring your bags of crushed aluminum cans and drop them in the trailer on the following dates:

December 6, 2009

January 3, 2010

February 7, 2010

March 7, 2010

April 4, 2010

May 2, 2010

June 6, 2010

July 11, 2010

If you have any questions, or need to arrange an alternate drop-off date/time, please contact Luane Bruggers at luane.bruggers@gtt.com.

Thank-you for your support!
